Costs To Remanufacture Your Corvette

Labor Rate – \$45.00 per hour

Each remanufactured Corvette takes an average of
1200 to 1500 hours (for 53-62), 1000 to 1200 hours (for 63-67).

EXAMPLE

Labor rate for (53-62) will be approx. \$54,000

Labor rate for (63-67) will be approx. \$45,000

Parts will be a minimum of \$30,000-\$40,000 (63-67)

This is for an undamaged car. These are estimates only – for a small block car.

Your Corvette is also covered by our exclusive **D & A CORVETTE
WARRANTY** after a full restoration.
